

Gender and Violence

(ANTH 352-02)

Why do people hurt other people?

Stalking is romantic... right?

Are women as equally violent as men?

Why do victims of sexual assault often freeze up instead of fight back?

How does the media normalize gender-based violence?

Is pornography harmful or empowering?

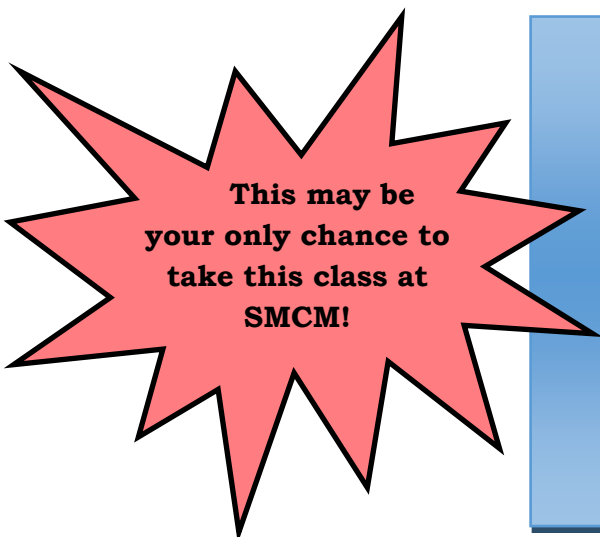

How does culture influence people's ideas about violence?

Does domestic violence occur in LGBTQ relationships?

What are the connections between child abuse and domestic violence?

Can we really stop violent behavior?

Join us this summer to explore all of these questions, and more!
