Meal plans are reset at the end of each semester. **There are no refunds for unused blocks and flex dollars.**

Any student who purchases one of the meal plans A2 through C1 will automatically have a deposit made to his/her flex account as part of the meal plan purchase. Blocks and flex dollars may be used at the Campus Center and Upper Deck. Flex dollars may also be used at the Campus Store Café, for food-related items only, and for campus vending machines.

Students will have through the second week of the new semester to make changes to their meal plans. **No changes will be made after September 10, 2010** unless a student withdraws from school. If you change your plan, calculate any adjustment to your bill by using the chart above.
