

RECOMMENDED READING AND WEBSITE ADDRESSES

In addition to the readings on the syllabus, you might want to read further about a particular area of interest. David Gamble has published a number of annotated bibliographies on The Gambia, the most recent in 1988 by CLIO Press in Oxford England (the title is, *The Gambia*). I also have a number of David's publications that are not widely available, so contact me if you are trying to find material about a specific topic.

The number of websites for The Gambia grows daily, just about any of the search engines will provide you with a large number of possibilities. Here are some of the websites I have found particularly useful. For news, check the following: <http://allafrica.com/gambia>, or <http://www.gambianews.com>, or <http://www.gambianet.com>. You should also check the official webpage for The Gambia, <http://www.gambia.com>. Other sites that contain valuable information include a site hosted at the University of Pennsylvania, http://www.sas.upenn.edu/African_Studies/Country_Specific/Gambia.html, a site at Stanford University, <http://www-sul.stanford.edu/depts/ssrg/africa/gambia.html>, and <http://africanculture.dk/gambia> or <http://www.netline.be/gambie>.

Be sure to call me or send me an email if you have any questions, and please let me know if you come across any websites on The Gambia I could share with others.
