

2017

ANNUAL REPORT

ST MARY'S COLLEGE of MARYLAND
The Public Honors College

FOUNDATION

BUILDING OFF THE MOMENTUM

of the \$2.5 million Capital Campaign Challenge, our fiscal year 2017 annual giving drive was student-centric. Our goal was to provide support for experiential learning opportunities such as internships, undergraduate research, and study abroad as well as to enhance the learning environment with high-impact programs that position students for success. We are grateful for your support of today's students and a premier liberal arts education. Thank you!

With this annual report (*July 1, 2016-June 30, 2017*) we recognize individuals whose commitment and generosity this annual giving cycle have helped build a solid foundation for St. Mary's College of Maryland. During fiscal year 2017, total giving amounted to \$1.94 million; total fundraising activity (which includes pledges) amounted to \$2.39 million. This support is critical to providing resources that will facilitate the fulfillment of the College's strategic plan as well as our sustainability and long-term viability.

You will notice that we made changes to the annual report's format – we have included more stories to demonstrate the impact of your philanthropy. Also please note, last fall we successfully converted to a new, state-of-the-art fundraising database. If you find errors or have questions about this annual report, please direct them to advancementoffice@smcm.edu.

We hope we will see your name again in next year's annual report.

Last November, Professor Don Stable – inspired by the College community's momentum toward our Giving Tuesday fundraising goal

and wanting to inspire others to give during the *Giving Tuesday* campaign – provided a tremendous \$66,000 dollar-for-dollar match when we exceeded the previous year's record of \$65,000. Needless to say, we surpassed the record and within a short 24-hour period, 645 donors provided \$152,130 to support student success. ...and this was only one of Don's contributions throughout the year. We are fortunate for all that Don does for St. Mary's College.

The Class of 1957 Endowed Scholarship Fund

In June 2007 – on the occasion of its 50th Anniversary – the Class of 1957 proudly announced the establishment of *The Class of 1957 Endowed Scholarship Fund*. The scholarship benefits students who have academic merit and financial need, and who demonstrate involvement in service to their schools, churches, and/or home communities. So far, the fund has provided two four-year scholarships: **Gregory Cooke '13** and **Alhaj Khadar '17**. It was the ultimate goal of the '57 scholarship committee to grow the fund's corpus to \$50,000, and on the occasion of its 60th Anniversary, the goal was exceeded.

Members of the Class of 1957 pose with President Jordan.

Row one: Bonnie Manwell, Carol Gross Galloway, Patricia Arthur, Ann Suthowski. Row two: Marianne Slingshuff Chapman.
