

The Department of Mathematics and Computer Science at St. Mary's College of Maryland at Historic St. Mary's City invites immediate applications for a one year visiting position in mathematics beginning fall 2008 to be filled at the visiting assistant professor or instructor rank level. Applicants should hold a Ph.D. in an area of mathematics at the time of appointment, or hold an M.A. in mathematics and have substantial teaching experience at the undergraduate level. The teaching load is three courses per semester.

Non-sectarian since its founding, St. Mary's College of Maryland, a public Carnegie Baccalaureate, Arts and Sciences institution located in Historic St. Mary's City, 70 miles southeast of Washington, D.C., has been designated as Maryland's public honors college. With highly selective admissions policies, academically talented students, and a rigorous curriculum, we offer a small college experience similar to that found at exceptional private colleges. The quality of life is enhanced by the recreational opportunities of the Chesapeake region and by our proximity to Washington, D.C. and Baltimore.

To apply, please submit a cover letter (including an e-mail address), CV, teaching philosophy, statement of research interests, and three letters of reference to:
