

## Summer Hours

SMCM is adopting a green approach to its hours of operations this summer in order to reduce our greenhouse gas pollution and save energy costs. By shutting off selected campus systems Friday through Sunday we will reduce our carbon footprint and save thousands of dollars that will be returned to our academic programs and community. To assist you in understanding who is open, and when, the table below describes the summer hours of operation of all buildings and offices on campus.

<b>Building:</b>	<b>Office(s):</b>	<b>Days open</b>	<b>Hours</b>
