

Documentation of Diversity Experiences
 Department of Psychology, St. Mary's College of Maryland

If you choose this option for fulfilling the Diversity Requirement, you must take part in 4 eligible experiential opportunities (speakers/workshops), write 4 accompanying scholarly papers (see web page for details), and turn this form and the papers into the Diversity Committee by the last day of classes of the semester in which you wish to fulfill the requirement. If you are a graduating senior you are encouraged to turn in your papers several weeks early to allow for revision and resubmission.
