

Bill 17-08S:  
Off-Campus Activities Program

**Sponsors:** Treasurer Nathan Bossie;

**Co-Sponsors:** Sports Management Team: Mike Lance, Megan Uglik, Kiely Murphy, and Alexandra Scott

**Whereas:** Compared to many other college campuses, the location of St. Mary's College is isolated from much extracurricular activities;

**Whereas:** The office of student services performs the task of planning off-campus activities for students to take part in;

**Whereas:** Because they are able to offer discounted rates, more students are inclined to participate;

**Whereas:** The office of student services has agreed to work in conjunction with the 'sports management group' in order to provide students with more opportunities for discounted off-campus events;

**Whereas:** The student services office has agreed to contribute \$1000.00;

**Whereas:** The planned activities still require additional funding;

**Whereas:** This funding would allow 54 students to go to the zoo for free;

**Whereas:** A survey was conducted through an email vote which found that the student body most desired a trip to the zoo.

**Be it hereby resolved:** The SGA shall allocate \$850.00 for the planning and execution of an off-campus trip to the zoo as outlined bellow by the 'student sports management group'.

Budget:

Bus = \$1850.00

Minus \$1000 for Student Services contribution

Total = \$850.00

---

Keith R. Buzby  
SGA President
