

Bill 21-08S

Sponsor: Kali Gates, Director of Campus Programming

Co-Sponsor: Adam Matthai, Parliamentarian

Whereas: Publicity of the Student Government Association is critical to its operational success, advertisement on a discount card would promote campus awareness towards the SGA

Whereas: SGA discount cards could be made available to all full-time degree-seeking students, providing a campus service as well as potentially increasing general goodwill toward the SGA

Whereas: Four local businesses in St. Mary's County have agreed to provide a 10% discount to SMCM student customers with said discount card in an attempt to increase business transactions with the College

Whereas: Plastic discount cards would have a significantly longer lifespan than cardstock discount cards

Whereas: Plastic discount cards may be printed from Hilltop Graphics, a local St. Mary's County vendor

Be it hereby resolved: The SGA will purchase 2,000 dual sided colored plastic discount cards, a total of \$375.00.

Keith R. Buzby
SGA President
