

Bill 24-08S:
Renewable Energy Supplement

Sponsor: Nathan Bossie, SGA Treasurer

Whereas: A referendum was held in which the student body voted overwhelmingly in support of the purchase of green energy credits;

Whereas: Multiple vendors were awarded contracts to purchase renewable energy credits for the college;

Whereas: One of the vendors, Community Energy, was unable to agree to part of the contract offered to them;

Whereas: The business office has since, contacted the primary vendor, Clean Currents, to offer the remainder of the contract which was forfeited by Community Energy;

Whereas: The difference in cost between these two contracts is \$500.00;

Be it hereby resolved: The SGA shall allocate an additional \$500 towards the purchase of renewable energy credits.
