**Whereas:** global warming is the greatest challenge facing ours and future generations,

**Whereas:** we need bold action from the federal government to address the climate crisis,

**Whereas:** young people are actively leading the way toward clean, just energy solutions,

**Whereas:** young people are rallying behind a unified and powerful set of demands,

**Whereas:** students at St. Mary's College of Maryland are engaged in the Power Vote campaign and have adopted a bold pledge and platform,

**Whereas:** a million young people will sign the pledge and commit to vote on the climate and hold their elected officials accountable.

**Be it hereby resolved:** the SGA endorses the language, policy demands, and spirit of Power Vote youth climate pledge.
