

Resolution 02-07F

- Sponsor:** Chris Rodkey, Senate Leader
- Whereas:** The construction of the crew shell building has created controversy on campus and in the community
- Whereas:** Proposals have been made to relocate the structure
- Whereas:** Students recognize the practicality of the rowing center's current placement
- Whereas:** Students value accessibility to the waterfront
- Whereas:** Students do not think it is in the college's best interest to relocate the crew shell building
- Whereas:** The college must plant indigenous plants on campus
- Be it Hereby Resolved:** The Student Government Association recommends that the Board of Trustees vote to keep the crew shell structure in its current location but consider planting indigenous plants around the building

Keith R. Buzby
SGA President
