

Resolution 05-08S
Bike Survey

Sponsor: Kait Hines

Co-Sponsor: Chris Rodkey

Whereas: The SGA invested funds in an unsuccessful Free Ride program last year

Whereas: The administration is considering implementing a Bike Share program in the future

Whereas: The administration and students have invested a significant amount of time and money in researching Bike Share programs

Whereas: Students have come to the SGA to voice concern the possibility of a Bike Share program at St. Mary's

Whereas: A conclusion from the Bike Share research is that the implementation of any Bike Share program would need the support of the students and college community

Whereas: Students have bikes on campus and use them on a daily basis to get around campus

Whereas: Regardless of the implementation of a Bike Share program, there may be issues that should be addressed related to the current biking situation on campus

Whereas: We are a green school, and in the spirit of the environment, want to evaluate how often students drive around campus and why

Whereas: Conducting a survey to gauge biking issues on campus was approved by Dean Bayless, our SGA adviser Kelly Schroeder, and the IRB

Be it Hereby Resolved: The SGA Senate approves the following survey and supports administering the survey to students during lunch and dinner

Be it Hereby Further Resolved: The results will be compiled and presented to the administration

Keith R. Buzby
SGA President
