

**Service/Emotional Support/Comfort Animal  
Roommate/Suitemate/Housemate Agreement**

This form must be submitted annually and anytime there is an approved room change. If the student with an approved animal gets a new roommate/suitemate/housemate, the new person must sign a copy of this form.

By my signature below, I agree to share the common areas of my assigned residential space with the animal approved by this agreement. Should I have any concerns regarding the care and control of the approved animal, I will discuss my concerns with the animal's owner and then with Residence Life staff, if the owner of the animal and I cannot come to an agreement.

I am aware that the animal is working with its owner, and I will observe the following etiquette:

- I will avoid touching the animal without permission.
- I will not make noises at the animal as it may distract the animal from doing its job.
- I will not feed the animal as it may disrupt its schedule.
- I will not attempt to startle the animal.
- I will not attempt to separate the animal from its owner.
