ARTICULATION AGREEMENT

PREFACE

St. Mary's College of Maryland (SMCM) welcomes students from The Community College of Baltimore County (CCBC) into our community of learners. The Articulation Agreement is designed to facilitate CCBC students' ease of transfer to SMCM.

This agreement is entered into in the interests of our students. The general purpose of this agreement is to make clear the terms of this articulation agreement. This agreement will allow for the efficient transfer of students between campuses, including transfer credit, admissions and financial aid/scholarship. It will provide opportunities for students beyond the classroom, serving as a basis for student involvement and faculty interaction. It will set expectations for administrators, faculty and staff at both institutions, and foster a working relationship between the parties. Finally, it will encourage students to continue their education for their own personal and professional development.

Under this Agreement, CCBC students graduating with the Associate in Arts (A.A.) in Humanities and Social Sciences degree with a Transfer Pattern in Anthropology will be eligible for the transfer credits as outlines below towards the Bachelors of Arts (B.A.) degree in Anthropology at St. Mary's College of Maryland.

Students must:

1. Submit the SMCM Application for Admission at least six months prior to the start of the semester he/she wishes to transfer to St. Mary's College of Maryland.
2. Satisfy all other SMCM admissions requirements, which are available on the College website at <http://www.smcm.edu> or by contacting an admissions counselor at St. Mary's College of Maryland.
3. Recognize that grades of "D" or better will transfer. However, major specific courses must meet a minimum GPA of C or C- to fulfill major requirements.
4. Understand that there is no residential living requirement for incoming students, though transfer students may request on-campus housing if they wish.
5. Understand that SMCM will accept up to 70 transferable credits.
6. Understand that students with at least 56 transferable credits will enter with Junior status.
7. Submit CCBC transcripts along with transcripts from any other colleges they may have attended prior to attending CCBC.

SMCM welcomes International Students to apply to the College. Additional admission materials will include the Test of English as a Foreign Language (TOEFL) and WES transcript evaluations if applicable. Please check the College website at <http://www.smcm.edu> for details.

The Articulation Agreement is also available for part-time students, and students entering during semesters other than in the recommended transfer pattern semester plan below. CCBC and SMCM understand that students may need to follow an alternative plan as per special circumstances. Students are highly encouraged to work closely with their program advisors to limit time to degree as much as possible.

QUALIFICATIONS FOR THIS AGREEMENT

Students interested in the Articulation Agreement are encouraged to consult with a Transfer Advisor and/or Anthropology Coordinator at CCBC and the Transfer Coordinator at SMCM to assist in choosing courses which will meet the requirements in the declared major. Transcripts will be evaluated on a preliminary basis by a representative from the SMCM Admissions Office prior to application upon request.

OBLIGATIONS OF ST. MARY'S COLLEGE OF MARYLAND

To facilitate the transfer of CCBC graduates to SMCM in accordance with the foregoing, SMCM agrees to the following:

1. To attend regularly scheduled "transfer" programs at CCBC.
2. To invite CCBC students to information/advising meetings with SMCM faculty and staff on a regular basis at both CCBC and SMCM in order to facilitate smooth curricular and co-curricular integration to St. Mary's College of Maryland.
3. Those students entering fulltime study at SMCM are eligible to be awarded academic scholarships and/or grants as any other student entering the College within the same semester. SMCM will give an extra \$500 for students that participate in the Guaranteed Admissions program as well.

Scholarships are renewable on an annual basis and students must meet with a Financial Aid advisor from SMCM for additional information. SMCM offers a variety of scholarships and grant awards. These opportunities include merit-based and need-based aid and grants. Sources of these awards include SMCM, private donors, as well as federal and state programs.

4. To ensure that incoming students will be provided with SMCM financial aid information and receive full consideration for SMCM financial aid, in addition to appropriate scholarships and grants listed above, upon matriculation at St. Mary's College of Maryland.
5. To ensure that CCBC graduates entering SMCM under the terms of this Agreement go through SMCM's normal transfer admissions process, including meeting all applicable SMCM requirements and deadlines pertaining to application for admission, orientation and registration, and payment of tuition and fees. They will abide by the policies and procedures, and any revisions thereof that apply to all SMCM students. Incoming matriculated students will have all the rights and privileges of other SMCM students.
6. To continue working with CCBC on program-to-program curriculum articulation agreements that specify for CCBC transfer students the CCBC courses that satisfy major requirements required for degree completion at SMCM

OBLIGATION OF THE COMMUNITY COLLEGE OF BALTIMORE COUNTY

CCBC agrees to publicize this agreement to prospective and current CCBC students in its promotional literature, and make arrangements for SMCM recruiters and advisors to visit CCBC.

JOINT OBLIGATIONS

1. To consult with each other through appropriate channels prior to implementing major changes in policy or curricula that directly affect students transferring under the terms of this Agreement, and keep each other informed of any changes of policy or curricula that affect those students. Both SMCM and CCBC will review this Agreement on a regular basis and make any changes upon mutual agreement, as needed. Such

changes will be effective when both CCBC and SMCM sign the revised document.

2. Courses with grades of "D" or better will be brought into SMCM as transfer credits. However, major specific courses must meet a minimum GPA of C or C- to fulfill major requirements.
3. To collaborate in providing students with information and academic advising both from SMCM and CCBC. SMCM will make available contact information for questions about St. Mary's College of Maryland's academic requirements, Core Curriculum requirements, degree requirements, and the process of transferring to SMCM.
4. To jointly agree to develop and implement advertising and promotional efforts to communicate the benefits of articulation agreement.
5. To exchange data and documents on a regular basis that will contribute to the maintenance and improvement of the arrangement, enhance the transfer process, and promote effective cooperation between institutions. These will consist of data about individual transfer students, including admissions information and grades, and reports on the results of program reviews, assessments of students' learning, and decisions of curricula and other committees.
6. This Agreement may be updated (by means of addenda), upon mutual agreement by appropriate officials of the two institutions, to allow for additional curriculum articulation sheets accommodating course equivalencies for specific major(s)/minor(s)/certificate program(s). This Agreement sets forth the entire understanding of the parties with respect to the subject matter hereof and supersedes all prior understandings, memos, writings or agreements of the parties with respect to the subject matter hereof. Any waiver by a party of any of its rights or of the other party's obligations must be in writing.
7. To provide, when available, direct links between the SMCM and CCBC websites when applicable.

REVISIONS, RENEWAL AND TERMINATION OF THIS AGREEMENT

The SMCM Provost and Dean of Faculty and the appropriate officers at CCBC are responsible for identifying and communicating to each other changes in the policies or requirements of their respective institutions that affect this Agreement.

This Agreement will be in effect, as of the date of its signing, for students entering SMCM fall semester 2016 or after. It will be reviewed on a regular basis by the appropriate parties at each institution and will be renewed every 5 years by written correspondence of any updates, discontinuation, or approvals. Either institution may terminate this Agreement at any time by written notice at least one year in advance of the effect date of termination. Should this Agreement be terminated, it is understood that the termination will not apply to students already accepted to SMCM under the terms of this Agreement.

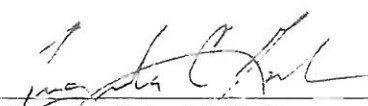

The willingness of both institutions to enter this Agreement in order to facilitate the transfer of students from CCBC to St. Mary's College of Maryland, and to expand their opportunities for academic success there, is indicated by the following signatures. The undersigned representatives of the parties, The Community College of Baltimore County and St. Mary's College of Maryland, have executed this Agreement on the dates indicated:
