

ST. MARY'S COLLEGE OF MARYLAND FIELD SCHOOL IN

Archaeological Survey Methods

Photographs: St. Mary's County Division of Tourism and Maryland Department of Natural Resources

Newtowne Neck State Park

Near Leonardtown, Maryland

MAY 18-JUNE 12, 2015

Learn to research in archives; design and implement survey-level testing; use a total station; process and curate artifacts; prepare archaeological site forms; and read historic buildings.

Students who successfully complete the four-week field school will have the opportunity to apply for an additional four weeks as a crew member and receive a **\$2000** stipend (positions are limited).

For more information and to apply, contact Professor Julia A. King at jking@smcm.edu or at 240.895.4398, or visit www.smcm.edu/anthropology.

To earn credit, students register for ANTH454. Tuition is estimated at \$780. Campus housing is available (est. \$300) and should be requested before April 15. Applicants must be able to work outdoors in variable weather conditions.
