

OFFICE OF ACCESSIBILITY SERVICES

FACULTY NEWSLETTER

Spring 2025 | Volume 2

About Our Office:

The Office of Accessibility Services (OAS) provides accommodations to those with disabilities and/or disabling health conditions in order to provide equitable academic, residential, and/or dining experiences, removing barriers, and promoting autonomy at SMCM. OAS works one-on-one with students, as well as faculty/staff, to ensure student access. OAS is made up of our Director of Accessibility Services/ADA Coordinator, Kelly O'Grady, our Coordinator of Accessibility Services, Amy Baker, our Office Administrator, Joyce Knott, and our Student Intern.

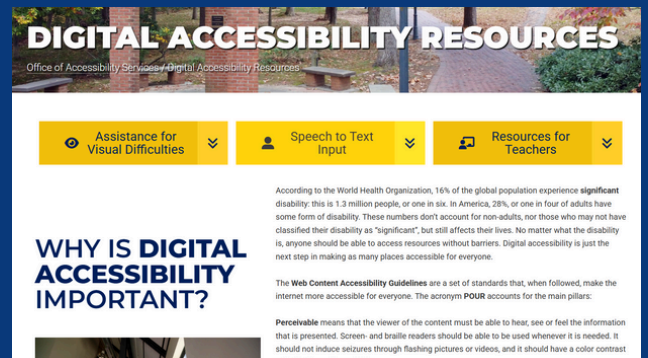

OAS vs. OS3

OAS stands for the "Office of Accessibility Services". As mentioned above, OAS provides accommodations for students with disabilities. OS3 stands for the "Office of Student Success Services". OS3 provides support strategies for all students, such as tutoring. This may be a good opportunity to check and update your syllabi for the upcoming semesters.
