Authentication into Blackboard will use your SMCM Microsoft Login:

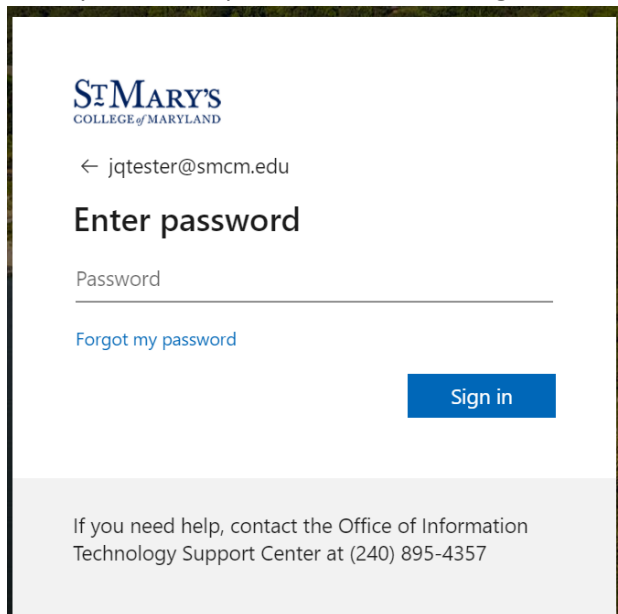

If you have used your Microsoft login to access other SMCM resources, such as Adobe or Office.com and stayed logged in, you may be passed directly to Blackboard without being prompted to log in. If not, follow these instructions:

1. To log in, enter your SMCM email address and then select **Next**.

The interface features a dark blue sidebar on the left with navigation links: 'Test Student', 'Activity Stream' (selected), 'Courses', 'Organizations', 'Calendar', 'Messages', 'Grades', 'Tools', and 'Sign Out'. The main content area is titled 'Stream' and includes a 'Filter' button and a 'Show All' dropdown. The stream is organized into sections: 'Important' (top), 'Today' (Monday, May 3, 2021), and 'Recent'. The 'Important' section shows a notification for 'SP21 Micro 16am' with a 'Dismiss' button. The 'Today' section contains two announcements from St. Mary's College of Maryland regarding the Blackboard Learn mobile app and the new Blackboard login page. The 'Recent' section lists recent activities, including a video upload for 'OIT Practice Course Oct 2020' and grade postings for 'History of the Modern World: Fall 2020'. Each activity entry includes a date, an icon, a title, a brief description, and a 'View my grade' button where applicable. A 'Privacy' link is located at the bottom left of the sidebar, and a help icon (?) is at the bottom right of the main content area.
