

**ENVIRONMENTAL STUDIES MINOR 2007-2014**

This checklist is for reference only. Please see the College Catalog and check with your adviser or the Environmental-Studies coordinator to assure compliance with graduation requirements.

**Note: Pre-requisites in parentheses**

Sem. Taken	Cr. Earned	
		I. At least 22 semester-hours in courses having an environmental focus, all with C- or better, as follows:
		a) 2 credits of ENST 233: Environmental Perspectives
		b) BIOL 100 or 101: Contemporary Bioscience with an environmental focus or BIOL 271: Ecology & Evolution ( <b>BIOL270</b> ). Be sure the section of Contemporary Bioscience in which you enroll is specifically identified as fulfilling the Environmental-Stud
		c) Elective courses: 16 semester-hours in courses with environmental studies focus, at least 8 of which must be at the 300-400 level, to be selected from at least three disciplines.
		Course 1: _____
		Course 2: _____
		Course 3 UL: _____
		Course 4 UL: _____

Note: For *all* minors, the college requires that at least half the lower-division courses and *a* division courses be taken at St. Mary's College of Maryland (i.e., not transferred in from another institution).
