St. Mary's College of Maryland does not discriminate on the basis of age, citizenship, color, disability, national origin, race, religion, sex, sexual orientation, or special disabled veteran and Vietnam-era veteran status in the administration of employment and educational policies, or in any other program or activity. St. Mary's does not condone harassment of any kind against any individual because of age, citizenship, color, disability, national origin, race, religion, sex, or sexual orientation. Such harassment would clearly be in conflict with the interests and purposes of the College as an educational community and, in many cases, with provisions of the law. Inquiries concerning the College's responsibility may be directed to the College's AA/EEO officer or the Office of the Vice President and Dean of the College, as appropriate.

PREFACE

*If we could first know where we are, and whither we are tending,
we could then better judge what to do and how to do it.*

-- Abraham Lincoln, 1858

The *Factbook* presents College data as of November 1st of the academic year. Therefore, this year's edition of the *Factbook* provides a description of the College as of November 1, 2004. Changes that will be found in this 2004-2005 edition of the *Factbook* are as follows:

- Several tables were reformatted to improve appearance and ease of reading,
- A breakdown of Study Away students by sex has been added to the "Enrollment by Class Standing, Attendance Status, and Sex" and "Summer Sessions" tables,
- SAT quartiles (25th, 50th, and 75th percentiles) have been added to the "Admissions Statistics" table,
- Exclusions prescribed by federal agencies and the Common Data Set are indicated in the retention tables,
- The "Profile of the College Library" has been redesigned,
- "Study Away" students are now included in the "State of Origin" and "County of Origin" tables,
- The "St. Mary's Projects by Discipline" table and accompanying graph are new in this edition,
- "Total Cost of Attendance" has been added to the "Annual In- and Out-of-state Charges" graph,
- The College budget page has been recast to conform with GASB standards of reporting,
- For convenience, the newly revised College mission statement is included along with the mission statement that was in effect on November 1, 2004,

and

- The names of inductees into the College's honorary service societies are presented in a new appendix.

I wish to thank those members of the College community who supplied and verified data for this new edition of the *Factbook*. In addition, a special thanks goes to Dr. Frances Rohland for her assistance during all phases of the production of this volume.

Please let me know if you find any errors or have suggestions concerning new data to include in future editions of the *Factbook*.

St. Mary's College of Maryland (SMCM) is a four-year, state-supported, liberal arts college which offers the bachelor of arts degree in 22 majors: Anthropology / Sociology, Art and Art History, Biochemistry, Biology, Chemistry, Computer Science, Dramatic Arts, Economics, English, History, Human Studies; International Languages and Cultures, Mathematics, Music, Natural Science, Philosophy, Physics, Political Science, Psychology, Public Policy Studies, Religious Studies, and a Student-designed major. In addition, programs of cross-disciplinary studies are offered in five areas: African and African Diaspora Studies; East Asian Studies; Environmental Studies; the Neurosciences; and Women, Gender, and Sexuality Studies.

Total enrollment for Fall 2004 was 1935 (including 25 SMCM students studying abroad or on another U.S. campus), with an FTE of 1995. Ninety-five percent of the students attend full-time, and 85% of these full-time students live on campus.

In 2004, 396 students were awarded a baccalaureate degree with 56 of these students having multiple majors. Economics and English had the greatest number of graduates (59 grads in each), followed by Psychology (54 grads) and History and Political Science (39 grads in each).

During the fall of 2004, the College employed 111 regular full-time faculty (non-"Visiting," Assistant through Full Professor), 8 full-time "Visiting" faculty, 3 full-time non-visiting Instructors, and 80 part-time faculty. Ninety-nine percent (110 of 111) of the regular full-time faculty hold doctoral or other terminal academic degrees. Since 1982, St. Mary's College has had 18 Fulbright Scholars on its faculty.

St. Mary's occupies 47 buildings on a 319-acre campus on the St. Mary's River. The College's facilities include a multi-purpose fine arts center, a student center, a community center, campus residences, an auditorium, an NCAA-qualifying swimming pool, an outdoor track, six tennis courts, two gymnasiums, a variety of sailboats and other water craft, and a riverfront boathouse and dock.

St. Mary's College is accredited by the Middle States Commission on Higher Education. The Carnegie Foundation Classification Code for the College is "Baccalaureate College – Liberal Arts." St. Mary's College of Maryland was awarded a Phi Beta Kappa chapter in the fall of 1997.

For the fiscal year ending in 2004, the College had total operating revenues of \$55.4 million (total operating revenues of \$27.2 million + non-operating revenues of \$15.2 million + interest expense (addback) of \$2.1 million + capital state appropriation of \$10.9 million). A copy of the independent auditor's report concerning the finances of the College is available in the Office of the Comptroller.

For the fiscal year ending in 2004, the total market value of endowment assets was \$26,068,544.

¹ Full-time students only.² GPA based on high school academic courses only, as determined by the SMCM Admissions Office.³ GPA based on all high school courses.⁴ Percentile rank: the percentage of all (nation-wide) SAT scores that were at or below the average SAT score reported for entering first-year students at SMCM. For example, in 1996, 86% of all college-bound seniors scored at or below the SMCM average of 631 obtained on the verbal portion of the SAT.⁵ Re-centered SAT scores, as reported by The College Board, are presented beginning in 1996.

¹ Full-time when registering to live on campus. Hence, this number may differ from the official "freeze date" census data reported elsewhere in the *Factbook*.

² Percentage of students at specified class level living in the specified housing type. For example, 91.2% (or 426 / 467 x 100) of all first-year students living on campus lived in a residence hall in Fall 2002.

³ Includes exchange students.

⁴ Employees and others granted special permission to live on campus.

¹ Percentages by racial classification are based on "Race Known" of on-campus full-time students.

² Some government reports exclude non-resident aliens (those students with, typically, an F1 visa) from racial counts. The above figures portray the racial diversity of all full-time students, regardless of visa type. The numbers of non-resident aliens included within each racial category by year are indicated in the "Af+As+H+W" column. This column header refers to the numbers of non-resident aliens included within the Afr-Am, Asian, Hispanic, and White counts, respectively. For example, the "(1+3+1+7=12)" entry in the "Af+As+H+W" column for Fall '01 indicates that 1 of the 115 Afr-Am students in Fall '01 was a non-resident alien, 3 of the 59 Asian students were non-resident aliens, etc.

¹Consistent with the reporting practices of the National Center for Education Statistics of the US Department of Education and other reporting agencies, the following students are excluded from retention analyses: those who die or become permanently disabled, those who leave school to serve in the armed forces (or have been called up to active duty), those leaving school to serve with a foreign aid service of the federal government, and those who leave school to serve on an official church mission. The numbers of such students are indicated within parentheses.

²The top percentage is the percentage of first-year students who re-enrolled for the indicated year. For example, as indicated in the "Re-enrolled 3rd Year" column of the "Fall '96" line, 83.3% of the fall '96 first-year student class re-enrolled for a third year (i.e., 260 of the 312 fall '96 first-year students re-enrolled for a third year). The bottom percentage shows year-to-year retention. For example, as indicated in the "Re-enrolled 3rd Year" column on the "Fall '96" line, 92.9% of the first-year student class that enrolled for a second year re-enrolled for a third year (i.e., 260 of the 280 enrolled for a second year re-enrolled for a third year).

³The top percentage is the percentage of first-year students who graduated in the indicated years. For example, as indicated in the "Graduated 5 Years" column of the "Fall '96" line, 9.9% of the fall '96 first-year students graduated in 5 years (i.e., 31 of the 312 fall '96 first-year students took 5 years to graduate). The bottom percentage is the percentage of first-year students who graduated in or before the indicated year. For example, as indicated in the "Graduated 5 Years" column of the "Fall '96" line, 80.8% of the fall '96 first-year student class graduated in 5 years or less; i.e., 252 (3 3-year grads + 218 4-year grads + 31 5-year grads) of the 312 fall '96 first-year students graduated in 5 years or less.

*Definitions for "Classes" and "Subsections" conform with the Common Data Set. "Classes" refers to credit-bearing courses identified with a discipline and number that meet in a classroom or similar setting and are not laboratory or discussion sections. Individual instruction offerings (e.g., Independent Study, St. Mary's Project, etc.) are excluded from the "Classes" tabulation, and cross-listed courses are included only once (enrollments of cross-listed sections are combined). "Subsections" (e.g., lab sections, calculus exam, discussion sections) are associated with but meet separately from the lecture portion of credit-bearing courses. Enr = 1, a category not included in the Common Data Set, includes individual instruction such as Independent Study, St. Mary's Project, private music instruction, etc.

Teacher Education Program: In addition to the above majors and cross-disciplinary study areas, the College has fully accredited teacher certification programs in all areas: elementary education; English; math; social studies; biology; chemistry; physics; modern foreign languages for grades 7 through 12; and art, music, and theater for grades K-12. All teacher certification programs at SMCM have full program approval from the Maryland State Department of Education and, as a result, lead to reciprocity for certification in the majority of other states.

¹Includes SMCM students studying abroad or on other campuses in the U.S.

²Percentage of "Total Declared Majors" (includes multiple majors).

BASKETBALL: The men's basketball team won the inaugural Capital Athletic Conference (CAC) in 1991. The women's basketball team won both the 1997-98 and 1998-99 CAC championships and received a bid to the NCAA Division III Tournament during both seasons.

FIELD HOCKEY: 2004 first-ever winning season in program history and first-ever ten win season.

LACROSSE: SMCM has had nationally ranked teams in NCAA Division III Men's Lacrosse: 1979 (rank = 12), 1980 (rank = 8), 1995 (rank = 14), 1996 (rank=19), 1999 (rank = 19), and 2001 (rank=19). St. Mary's won the Tri-State Conference title in lacrosse both in 1978 and 1979 and won the Capital Athletic Conference in 1992, 1993, and 1994. The SMCM women's lacrosse team won the CAC championship in 1998, 1999, and 2002 and advanced to the NCAA Division III Tournament in 1998, 1999, 2001, 2002, and 2003. During the 1999 season, the women's lacrosse team achieved a national ranking of #5 and finished the season nationally ranked #6. In both 2002 and 2003, the women's lacrosse team was ranked 4th nationally.

SAILING: The SMCM varsity sailing team finished at the Intercollegiate Sailing Association (ICSA) North American Dinghy Championships (Coed) as follows: 11th (1991), 3rd (1992), 7th (1993), 4th (1994), 5th (1997), 2nd (1999), 1st (2000), 9th (2001), 1st (2002), and 3rd (2003). St. Mary's also finished as follows in the ICSA North American Women's Championships: 8th (1990), 3rd (1991), 3rd (1992), 2nd (1994), 1st (1995), 4th (1997), 4th (1998), 12th (1999), 6th (2000), 3rd (2001), 3rd (2002), and 2nd (2003). Notable finishes achieved in the North American Team Racing Championships were 5th (1992), 5th (1993), 3rd (1994), 4th (1996), 3rd (1997), 3rd (1998), 1st (1999), 1st (2000), and 2nd (2003). Additional notable finishes achieved were 1st (1993) in the ICSA North American Sloop Championship; 9th (2002) in the Men's ICSA North American Singlehanded Championship; and 1st (1994), 1st (1996), 1st (1997), 2nd & 3rd (2000), 2nd & 9th (2001), and 8th (2002) in the Women's ICSA North American Singlehanded Championship. In 2000, St. Mary's won the ICSA's Leonard M. Fowle Trophy (based on the best overall performance which includes the six North American Championships). *Sailing World* ranked St. Mary's #1 in the 2001 fall season women's sailing and #1 in the 1998 fall season and the 2000 spring season coed sailing.

SOCCER: The women's soccer team was ranked 5th in the South Atlantic Region at the end of 1990-91 and 6th at the beginning of the 1991-92 season. The men's team was ranked 7th (1999), 8th (2001), and 4th (2003) in the South Region. The men won a record 11 straight matches in 2001. Both men's and women's soccer teams were awarded the 2002 NSCAA Team Academic Award. The 2003 men's soccer ranked third in the region, achieving highest-ever regional ranking. The 2004 men's soccer was ranked 24th in the nation at one point during the season, marking the first-ever national ranking for the program.

SWIMMING: The women's swimming team was Chesapeake Collegiate Athletic Conference Champions in 1990, and an Academic All-America Team in 1998, 1999, and 2000. The men's swimming team was an Academic All-America Team in 1999 and 2000.

VOLLEYBALL: The women's volleyball team was an Academic All-America Team in 1994, 1995, 1996, 1998, and 1999.

¹ Excludes temporary Full-time faculty lines. A list of full-time faculty by discipline is found in Appendix B.

² Includes one person on sabbatical.

³ Includes two people on sabbatical.

⁴ Includes one full-time administrator.

⁵ Formerly "Foreign Languages."

⁶ Split lines are counted as one full-time faculty position.

⁷ To avoid double counting, replacement faculty for regular faculty on sabbatical are not counted.

⁸ Faculty on leave-of-absence are not included.

⁹ Some part-time faculty teach courses in more than one discipline. Such faculty are included in the "PT" total for each discipline and division but are counted only once in the overall "PT" total.

¹⁰ Does not include one temporary full-time faculty member.

¹¹ Does not include two temporary full-time faculty members.

¹² Two of the 120 state-authorized faculty lines were vacant in Fall '00.

¹³ Three of the 122 state-authorized faculty lines were vacant in Fall '01.

¹⁴ Three of the 121 state-authorized faculty lines were vacant in Fall '02.

¹Calculations based on full-time faculty holding a state-authorized line. This includes temporary full-time faculty who hold a state line and are, typically, designated "Visitor." To avoid double counting of faculty lines, the following counting rules are observed: 1) count regular faculty on sabbatical but not sabbatical replacement faculty, and 2) count leave-of-absence or leave replacement faculty but not regular faculty on leave-of-absence or leave. Appendix B provides a list of all faculty and their teaching status.

²"N" and "%" apply only to "Rank," "Highest Degree," and "Sex" categories.

³Terminal degrees include all doctorates, the MM, and the MFA.

⁴a) Extra pay for administrative duties (e.g., division and department heads) is not included in salary calculations. b) full regular salaries are used for faculty on full-year sabbaticals. c) "Special case" salaries (viz., salaries of those on leave-of-absence or leave, sabbatical replacements, split-line arrangements, and the Distinguished Professor) have been excluded from all salary calculations. d) Average salaries reported only for cells containing four or more faculty.

Mission Statement of
ST. MARY'S COLLEGE OF MARYLAND
 for Maryland Higher Education Commission

October 30, 2000

Institutional Identity

As the State's public honors college, St. Mary's College of Maryland provides an undergraduate liberal arts education and a small-college experience that is unique within public higher education. With a faculty of gifted teachers and distinguished scholars, a talented and diverse student body, and a low student/faculty ratio, St. Mary's College provides a challenging curriculum within an academically nurturing environment. In addition, the College fosters a sense of social responsibility and community among its students through its curriculum and campus life.

The St. Mary's curriculum stresses both intellectual breadth through broad requirements in the arts, humanities, natural sciences, and social sciences, and depth through rigorous discipline-based major programs. The senior project is simultaneously the capstone student learning experience and an important learning assessment tool. By emphasizing creative expression, the interconnected nature of knowledge, and an understanding of cultures with differing values and institutions in all aspects of the educational experience, the College prepares its students for fulfilling lives and successful professional careers in a world of increasingly rapid technological, political, economic and social change.

As a public college that is both accessible and affordable, St. Mary's provides the opportunity for academically talented students from a broad socioeconomic, ethnic, and racial spectrum to acquire a liberal arts education. This diversity creates a rich academic and social environment that enhances the education provided by the College.

Created in 1840 as a living memorial to Maryland's colonial founders and their ideals of tolerance and innovation, St. Mary's College is the oldest public institution of higher education in Maryland. St. Mary's maintains its identity as a residential liberal arts institution, fostering principles of diversity, civic mindedness, and intellectual exploration. The College offers academic and extracurricular programs that build upon the rich historical, cultural, and natural environments that come from its affiliation with Historic St. Mary's City and location on the banks of the St. Mary's River within the Chesapeake tidewater.

An independent board of trustees governs St. Mary's College of Maryland. With a Carnegie classification of Baccalaureate (Liberal Arts) College I, St. Mary's is the only Maryland public institution of higher education and one of only seven nationally having this classification.

Institutional Capabilities

St. Mary's stresses student learning through extensive student-faculty interaction, the use of effective learning pedagogies, and systematic faculty development. The College believes that excellent teaching is enriched by the knowledge and skills developed in research and other professional activities. Such experiences are also important for students, and the senior project provides the opportunity for students to develop intellectually and creatively in ways not possible through traditional classroom instruction. St. Mary's encourages a sense of individual and civic responsibility by emphasizing notions of community and supporting cooperative or collaborative endeavors in both academic and extracurricular life.

Institutional Size and Enrollment. St. Mary's distinctive role within public higher education in Maryland is to provide a liberal arts education in a small residential campus environment. The small size fosters the intellectual traditions of the liberal arts college and builds a sense of community. The low student/faculty ratio allows for close interaction between students and faculty, both in and outside of the classroom. Small classes stimulate faculty to use innovative teaching methods, largely based upon experiential, inquiry-based learning. Faculty members serve as

As described in J. Frederick Fausz's *Monument School of the People*, St. Mary's Female Seminary, founded in 1840, was "a state-owned, secondary boarding school for girls" (p. 25). College-level instruction began in 1926 when the Junior College Division was added to the Seminary.

mentors to students working on independent research experiences. Outside of the classroom, all full-time faculty members serve as academic advisers to students.

St. Mary's has the capacity to accommodate growth to help meet the increasing demand for postsecondary education in Maryland.

Preparation for Post-baccalaureate Education. Traditionally, a large share of all liberal arts college graduates seeks a post-baccalaureate education. A majority of St. Mary's College graduates pursue graduate or professional education. We encourage and support this goal for all students. The learning environment is experiential, investigative, and inquiry-based. In addition, students are encouraged to perform a year-long senior project under the direction of a faculty mentor.

The Access Mission. As a public institution, St. Mary's College is committed to its role in providing equal access to higher education. As a public institution with affordable tuition, relative to other liberal arts colleges, the College is in a unique position to offer a liberal arts education to first generation and to economically disadvantaged students. The College also seeks to expand the proportion of enrollment accounted for by minority students through increased numbers of minority faculty members, an inclusive curriculum, and additional financial assistance.

Preparation of K-12 Teachers. The College is committed to providing "model" preparation for K-12 teachers. All St. Mary's graduates who are certified to teach must obtain a discipline major. In addition, we require that student teachers spend significant time in the K-12 schools themselves as part of their preparation. The educational studies programs and faculty are deeply integrated into the local school systems. Our faculty members are leaders in helping K-12 teachers learn how to incorporate instructional technology into curricula and classrooms in pedagogically meaningful ways. The College is a state-wide leader in modeling the most appropriate education for teachers. We aspire to meet all of the substantive recommendations of the teacher education redesign task force of 1996. Moreover, we will expand the number of graduates who obtain certification. The College will continue to provide in-service training opportunities for K-12 teachers.

Information Technology. St. Mary's College of Maryland believes that students must understand and use information technology effectively and creatively. The skillful use of information technology is an increasingly important part of every dimension of life. For this reason, the College strives to expand access to information services for the entire SMCM community, build and maintain a technology infrastructure that is state-of-the-art, and develop a staff that is committed to and expert in the use of information technology. In short, the College seeks to integrate information technology into virtually every dimension of the operation of the College, and to incorporate it throughout the curriculum as part of well-defined learning objectives.

Partnerships. St. Mary's College of Maryland values its role in and relationship to the local community and the State of Maryland. With a liberal arts curriculum directed toward building a broad education and a sense of perspective, St. Mary's seeks to prepare its students for leadership and participation in a changing world. Given this value, St. Mary's has developed an array of affiliations and partnerships with agencies that enrich its offerings to students and provide a public service to the citizens of Maryland. These relationships include ties to other academic institutions, community service organizations, scholarly consortia, and federal government agencies.

Within the last year the College has developed collaborative degree programs with Johns Hopkins University and Towson University and recently partnered with Washington College for study-abroad offerings. The College library staff is a member of the Maryland Council of Library Directors consortium that provides for the sharing of library resources and services. Faculty members and students at the College work closely with researchers and scholars at the Chesapeake Biological Laboratories in Solomons Island, Society for Historical Preservation, the MAC (Maryland Archaeological Conservation) Lab, Jefferson Patterson Park in Calvert County, and of course with our state-endorsed affiliation partner, Historic St. Mary's City. Our students benefit from internship opportunities reserved for the College by the Departments of Energy and Transportation, and a co-op program sponsored by local government contractors for our computer science majors. The College also maintains an educational and facility use agreement with the Patuxent Naval Base in Lexington Park.

College Strengths from Location: Historic St. Mary's City and the Chesapeake Tidewater. St. Mary's location at Historic St. Mary's City on the banks of the tidal St. Mary's River provides unique opportunities for environmental, historical, cultural, and public policy studies. These opportunities are realized through course-related activities, faculty scholarship, student research, and special programs. They are further supported by partnerships and

collaborative relationships with local, state, federal and corporate organizations. The College will continue to strengthen programs with direct connections to its location and community.

Community Services. College faculty, staff, and students are key volunteers to both public and private organizations in the community. The athletic, recreational, and meeting facilities of the College serve as unique and valuable resources to the surrounding community and region. The College hosts an extensive series of lectures, concerts, exhibits, sports competitions, and other events to which the public is welcome. In addition, the College acts as a resource to the surrounding community by providing athletic facilities to local teams, extensive community swim hours in its pool, reception and convention facilities (especially important during summer months), and informal gathering places that enrich the lives of area residents.

Cost Effectiveness. Institutional operations were found to be efficient in recent assessment reports from peers and consultants. The College is distributing its resources effectively to meet its goals and objectives. Excellent average incoming SAT scores and GPAs and the highest four-year graduation rate in the State, are measures of the commitment and success of the College in educating and graduating its students.

Institutional Objectives and Outcomes

The best description of the goals for the College is contained in the College's Managing for Results Plan. The major goals of the College, taken from the Plan, are enumerated below.

Goal 1. Strengthen the quality of instructional offerings; in particular, implement the curricular proposals embodied in the Honors College plan approved by the faculty.

Goal 2. Recruit, support, and retain a diverse group of students, faculty and administrative staff who will contribute to and benefit from the enriched academic and cultural environment provided by St. Mary's.

Goal 3. Increase the effectiveness of the learning environment at the College.

Goal 4. Enhance the quality of co-curricular and extracurricular student life.

Goal 5. Increase access for all students by increasing the amount of institutional financial assistance available.

Goal 6. Increase our contribution to economic development in Maryland.

Goal 7. Increase student and alumni participation in and contributions to civic activities in the Maryland community.

Goal 8. Increase our contribution to the Maryland workforce.

St. Mary's College of Maryland Mission Statement

St. Mary's College of Maryland, designated the state's honors college, is an independent public institution in the liberal arts tradition. We promote scholarship and creativity by challenging our students to achieve academic excellence through close relationships with faculty, classroom activities, and experiential learning. Our faculty and staff foster intellectual, social, and ethical development within a community dedicated to diversity and accessibility. We provide students with opportunities to understand and serve local, national, and global communities and to accomplish social change.

Founded on the site of Maryland's first capital, the College stands as a living legacy to the ideals of freedom and inclusiveness. Our beautiful residential campus on the banks of the St. Mary's River inspires our work, our play, and our commitment to the environment.

We value:

- Creative and intellectual exploration
- Diversity in all its forms
- Social responsibility and civic-mindedness
- Global engagement
- Environmental stewardship
- A spirit of community revolving around our students

St. Mary's College of Maryland pursues the following goals:

- Maintaining a high standard of academic excellence
- Strengthening student/faculty interaction through small classes and close collaborations
- Enhancing accessibility, affordability, and diversity
- Providing an integrative curriculum and fostering intellectual autonomy
- Expanding global engagement opportunities for our students and faculty
- Promoting and maintaining a community built on respect
- Offering a variety of educational, cultural, and recreational experiences for the campus and local communities
