Authentication into Blackboard will use your SMCM Microsoft Login:

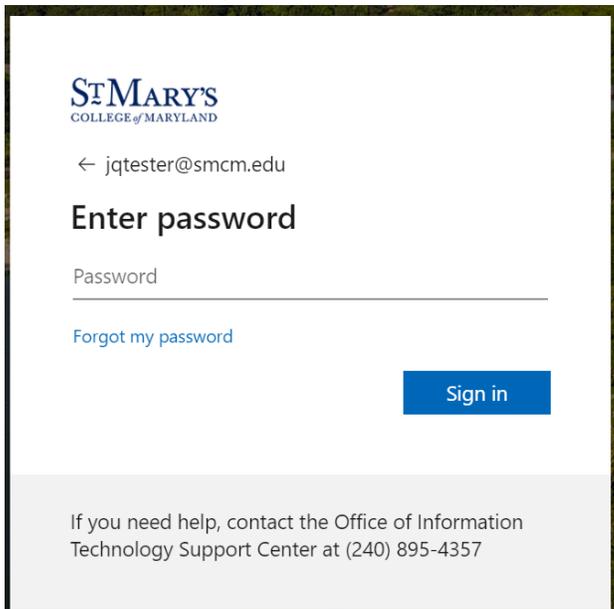

If you have used your Microsoft login to access other SMCM resources, such as Adobe or Office.com and stayed logged in, you may be passed directly to Blackboard without being prompted to log in. If not, follow these instructions:

1. To log in, enter your SMCM email address and then select **Next**.

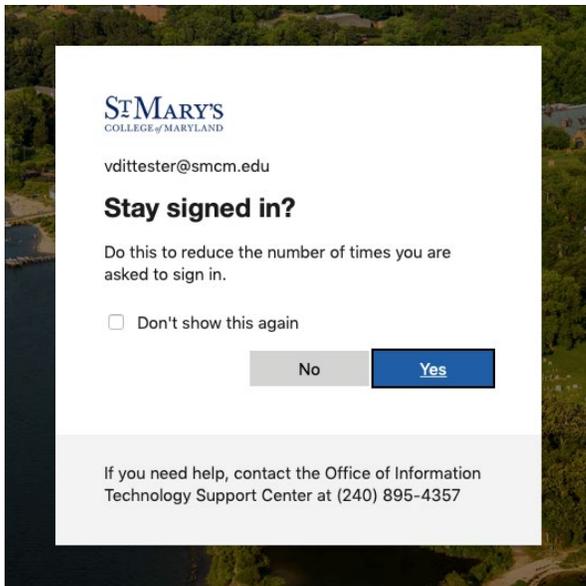

The screenshot shows the SMCM Sign in page. At the top left is the St. Mary's College of Maryland logo. Below it is the heading "Sign in". A text input field contains the email address "jqtester@smcm.edu". Below the input field are two links: "Can't access your account?" and "Sign-in options". A blue button labeled "Next" is positioned to the right of the input field. At the bottom of the page, a grey box contains the text: "If you need help, contact the Office of Information Technology Support Center at (240) 895-4357".

2. Enter your SMCM password and select **Sign in**.

The screenshot shows the SMCM Enter password page. At the top left is the St. Mary's College of Maryland logo. Below it is the heading "Enter password". A back arrow icon is followed by the email address "jqtester@smcm.edu". Below this is a text input field labeled "Password". Below the input field is a link: "Forgot my password". A blue button labeled "Sign in" is positioned to the right of the input field. At the bottom of the page, a grey box contains the text: "If you need help, contact the Office of Information Technology Support Center at (240) 895-4357".

3. You will have the option to stay signed in on this device. Select this option only if you are on your personal device.

4. Once logged in, you will be taken to the Blackboard Activity Stream dashboard.
