

ANNUAL REPORT 2020

St. Mary's College of Maryland

FOUNDATION *Inc.*

TOGETHER, WE LEAD

When we reflect on these unprecedented times, we will remember our donors, those with deep appreciation for St. Mary's College of Maryland, who gave of themselves to benefit our students, our teaching, and our national reputation – and to help us adapt to a new normal. The outpouring of support from alumni, parents, employees and friends, is a tribute to our community and our College, The National Public Honors College.

On behalf of the SMCM Foundation, I express our appreciation for your investment and dedication. In the reported giving cycle from July 1, 2019 to June 30, 2020, we raised \$3,026,936! Of that, \$1,133,959 was designated for student scholarships and \$219,388 was designated for the St. Mary's Fund. Over \$100,000 was raised for the Recovery Fund which was created to help reduce the unexpected hardships and challenges facing our students due to the pandemic. While the Recovery Fund continues to grow, two-thirds was awarded to students in need by mid-July.

We issue this report to recognize all who have given and made such a tremendous impact in the lives of our students. We work hard to ensure accuracy, but if you find an error or have a question, contact us at advancementoffice@smcm.edu.

Your generosity and commitment to the ongoing success of the College inspires us with a new sense of hope and purpose as we pivot toward recovery and the promise of the academic year ahead. Together, we lead.

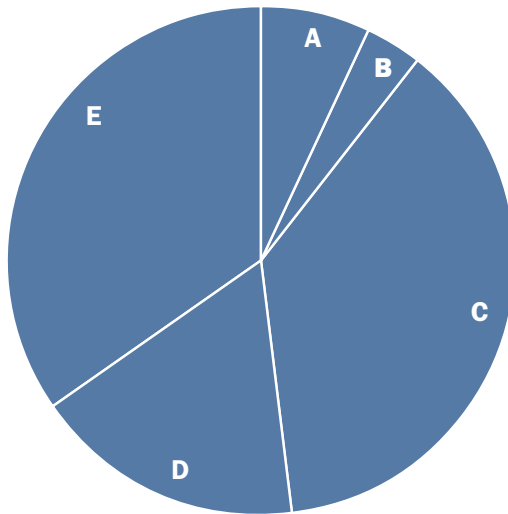

CAROLYN CURRY

*Executive Director, St. Mary's College of Maryland Foundation
Vice President for Institutional Advancement*
