

A rowing team is shown on a lake at sunset. The sky is a mix of orange, yellow, and blue, with the sun low on the horizon. The water reflects the colors of the sky. The rowers are silhouetted against the bright background. The text is overlaid on a dark blue square with a white border.

ST MARY'S
COLLEGE *of* MARYLAND

2022

ANNUAL REPORT

LEADING THE WAY

I am always inspired by the outpouring of generosity from you – our alumni, parents, employees and friends. The loyalty and love that you have for our institution is a tribute to The National Public Honors College. And our legacy of success – what our graduates have been able to accomplish – means you are part of something really special. We pride ourselves in providing our students with transformative, experiential learning opportunities. We deliver an extraordinary education because you help support areas that matter in today's competitive world.

On behalf of the SMCM Foundation, I express our appreciation for your investment in the quality of our College. In the fundraising cycle (which includes outright gifts and pledges) from July 1, 2021 to June 30, 2022, we raised \$4,027,929! Over \$851,000 was designated for the Learning through Experiential and Applied Discovery (LEAD) strategic initiatives and \$453,000 was designated for our new academic majors. We raised \$479,000 for enhanced curricular support and almost \$100,000 for Honors College Promise. Over \$1,500,000 was designated for student scholarships and almost \$250,000 was designated for the critical St. Mary's Fund. These committed dollars directly impact the lives of our students and the life of the College.

That's why we issue this report – to thank you and to underscore the benefits to our students, our teaching and our national reputation. We work hard to ensure accuracy, but if you find an error or have a question, contact us at advancementoffice@smcm.edu.

Private support is critical to our future – it helps differentiate St. Mary's College. Thank you for your generosity and we hope we can count on you in the years to come.

CAROLYN CURRY
*Executive Director, St. Mary's College of Maryland Foundation
Vice President for Institutional Advancement*
