

ST MARY'S
COLLEGE of MARYLAND

2023
ANNUAL REPORT

LEADING THE WAY

I must begin by thanking you — our generous alumni, parents, employees and friends. Your impact on *The National Public Honors College* and the lives of our students cannot be overstated. Your belief in our vision has driven innovation, upgraded facilities, and empowered us to deliver an exceptional learning experience. Beyond financial support, your dedication has helped us expand outreach and foster community partnerships in the region and across the nation.

On behalf of the SMCM Foundation, I am delighted to share the tangible outcomes of your unwavering support. In the fundraising cycle (which includes outright gifts and pledges) from July 1, 2022 to June 30, 2023, we raised \$6,718,097! Among the gifts, \$3.52 million was designated for the Learning through Experiential and Applied Discovery (LEAD) strategic initiatives including new academic programs. Another \$206,406 was designated for the critical St. Mary's Fund. These committed dollars directly impact the lives of our students and the life of the College.

The SMCM Foundation believes in the power of informed giving, and our annual report serves as a reflection of our commitment to transparency and accountability. We work hard to ensure accuracy, but if you find an error or have a question, contact us at advancementoffice@smcm.edu.

Private support is critical to our future — it makes St. Mary's College the College of choice. Thank you for your generosity, and we hope we can count on you in the years to come.

CAROLYN CURRY
*Executive Director, St. Mary's College of Maryland Foundation
Vice President for Institutional Advancement*
