Information and Application Instructions for Direct Loans  
MAT Students

The Federal Direct Loan program enables students to borrow for educational expenses. There are two types of Direct Loans available for Graduate Students: Direct Unsubsidized Stafford Loan and Direct Graduate PLUS Loan. Unsubsidized Loans and Graduate PLUS Loans accrue interest during all periods. Eligibility for the loans is determined by the analysis of the FAFSA and is outlined on your award notification. All terms and conditions of these loans will be provided when you complete all the required paperwork.

Federal Direct Unsubsidized Stafford Loan

Basic terms of the loans are:

**Interest rate:** Graduate Student (for loans disbursed 7/1/15 - 6/30/16): 5.84%.

**Fees:** An origination fee of 1.068% is charged on the loan.

**Grace Period:** You do not need to start making payments until 6 months after you graduate, leave school, or drop below half-time enrollment. Interest is charged on the loan during the Grace Period.
